TAB

13. ...they interact
with non-intelligence portions of their departments and
agencies." Reason - completeness of thought.

14. Page 6, 2nd para, line 8: change "frequently" to "can"
Reason - "frequently" is not supportable.

15. Page 8, first para: change last sentence to read
"But this ~~only~~ does not resolves the ~~easy~~ all cases~~;~~ ~~leaving-a-large~~ there remains a middle ground for subject

to argument and ~~a-poor-basis~~ for difficult to apply to
organizational ~~judgement~~ issues." Reason - Original wording
overstates the case.

16. Page 10, last para: delete 4th and 5th sentences.
Reason - Truth of these statements is arguable.

17. Page 11, subpara b: change to read "...that is
~~independent-of-policy-institutions~~ objective and broad ...."
Reason - The original wording reflects an assumption that only
CIA is independent, therefore objective, and that all other
Community elements are inherently and inescapably biased.
This is untrue.

18. Page 13, last line: delete last clause. Reason - unclear
and unnecessary.

19. Page 14 & 15: delete all after 4th sentence of second
paragraph through top of page 15. Reason - This is abstract
deduct...
